

EVANS

Handsan™

Alcohol hand rub with moisturiser

- Quick acting & highly effective alcohol based hand sanitiser.
- Contains 70% alcohol with added glycerine to help protect the skin.
- Rapidly evaporates from hands without leaving a residue or odour.
- Kills bacteria. Passes EN1276 with a 30 second contact time.
- For use after routine hand washing or wherever soap & water is not readily available.
- Ideal for use in between patient contact in non-surgical medical care establishments.
- Suitable for use wherever food is handled, prepared or served.
- Available in 75ml clip-on bottle, 500ml free standing bottle and 5 litre bottles for extra economy.
- Wall & bed brackets are available for the 500ml bottle.
- Pack size: 12 x 75ml. Order code: A051WEV
6 x 500ml Order code: A051AEV
2 x 5 litre Order code: A051EEV

HOW TO USE

Apply small amount - approximately 3ml - to palms & spread over hands & lower forearms, paying attention to cuticles & creases in the skin. Rub in well until skin is dry.

Drying hands is not necessary, as product will evaporate leaving skin refreshed & sanitised.

Not suitable for use on hands with cuts or grazes, or on damaged skin.

Avoid spilling or spashing on clothes or fabrics.
